Invitation to CHINA MINING 2020

China Mining Conference and Exhibition 2020, which is the 22nd event hosted by China Mining Association, is going to be held on October 22-24, 2020 at Tianjin Meijiang Convention Center of Tianjin China.

China Mining Conference and Exhibition is officially supported by Ministry of Natural Resources China and Tianjin Municipal People's Government. Firstly organized in 1999, CHINA MINING has become one of the largest and most influential mining events in the world, covering the whole value chain of Survey and Evaluation, Exploration and Mining, Technology and Equipment, Investment and Finance, Trade and Service, etc. More than four hundred Exhibitors, ten thousand Delegates and Trade Visitors from over seventy countries and regions attend the event, seeking cooperation and business opportunities.

Following the opening and inclusive principle and high quality standard of development, China's mining industry will, together with our international partners, make contributions to build shared bright future of global mining industry. Chinese mining companies will participate more actively in international capacity cooperation for a win-win development. CHINA MINING will provide high quality service to such cooperation, and build more efficient exchange and cooperation platform, promoting cooperation in geological survey, mineral exploration, mining, processing, equipment manufacture and trading, for the prosperity and sustainability of mining industry.

China Mining Conference and Exhibition welcomes your participation to celebrate the biggest industry gathering in China.
